

# Impact stories: Crowdfunder update

Thanks to all of your generous donations, the young people with care experience who are mentored by intandem were able to have a summer to remember!

We know that many families are struggling to stay afloat with the current cost of living crisis, and children and young people with care experience are likely among those that will miss out. So, we set out with the goal to raise money to ensure children and young people involved in the care system could create happy memories during the summer and beyond.

Thanks to 80 individuals, we raised an incredible £10,062!

## Here's how your money made a difference

More than 120 young people across Scotland were able to do something a bit more special this summer, including:

- Ten pin bowling
- Football stadium tours
- Visits to the skatepark. One mentor commented "**Our time at the park was fantastic and having not been on an outing like this with [mentee] for a long time the noticeable difference in his social development was remarkable.**"
- A young person and his mentor going to see the Legally Blonde show at the theatre. When talking about the experience they said, "**I loved it! 10/10, thanks for getting us the amazing seats!**"
- One young person even seized the opportunity for some well-deserved pampering and got her nails done!

intandem is delivering on The Promise, the Scottish Government's pledge that every child with care experience will grow up loved, safe and respected. **Our vision is that all young people who are in care or at risk of entering the care system have the resilience and confidence to succeed in life.** Thank you for supporting this work!

INSPIRING SCOTLAND

intandem is delivered by Inspiring Scotland. A company limited by guarantee registered in Scotland, No. SC342436, and a registered Scottish charity, No. SC039605
